A rustic table setting featuring several white candles of various sizes, some in glass holders and others in simple containers. The candles are surrounded by dried floral arrangements, including a large bouquet of dried flowers and a smaller one in a glass vase. The items are placed on a white lace doily. In the foreground, a silver fork and knife are neatly wrapped in a white napkin with a piece of twine. The background shows a white plate and a glass, all set on a light-colored tablecloth.
